PART I.

Proceedings of the Government of His Highness the Maharaja of Mysore, Revenue (Forest), dated 27th January 1912.

READ—

Letter No. 5032, dated 27th December 1911, from the Conservator of Forests in Mysore, submitting for orders, copy of letter No. Ft. 382, dated 11th May 1911, from the Deputy Commissioner, Chitaldrug District, recommending that 2 acres of land in the Nirthadi State Forest, on which stands the shrine of Gadre Devaru, may be treated as an enclosure in the forest and that a right of way may be granted thereto.

No. R. 4010-11—Ft. 85-11-2, DATED BANGALORE, 27TH JANUARY 1912.

ORDER THEREON.—It is stated that the shrine referred to above, is resorted to once in three years by devotees from the Gonur and Buchabornahatti villages, who, when they have encamped on the spot, have been in the habit of taking fuel, etc., from the neighbouring jungles for cooking and other purposes; but this right was not admitted, as the forest has not been regularly settled and this right was not brought to the notice of the authorities concerned at the time of the reservation. The Deputy Commissioner, therefore, recommends that not only should a right of way be reserved to the temple through the forest, but the devotees may also be allowed to make use of one cart-load of jungle wood and two cart-loads of fuel during the period of their halt. The Conservator is not in favor of granting the latter concession. Government, however, consider that there can be no objection to allowing the villagers to use the little quantity of wood and fuel required by them when they proceed to the spot for purposes of worship, and are, therefore, pleased to accept the Deputy Commissioner's recommendation. The Deputy Commissioner is requested to issue instructions to the District Forest Officer to publish the grant of the above concessions in Part II of the *Mysore Gazette* and in the neighbourhood of the forest as well as of the two villages concerned.

READ—

Letter No. 2747, dated 13th October 1911, from the Excise Commissioner in Mysore, submitting the record of enquiry relating to the claim to the toddy revenue of jodi Benakankere village, Turuvekere Sub-Taluk, Tumkur District, and stating that he concurs with the Deputy Commissioner in his finding that the jodidars' claim to the revenue has not been established.

No. Fl. 2877-9—S. R. 72-11-2, DATED BANGALORE, 19TH JANUARY 1912.

ORDER THEREON.—The Government observe that neither the Sannad nor the Inam Settlement concedes to the inamdars the toddy revenue of the village. Further, the jodidars have not adduced sufficient proof that they have been enjoying the revenue. Under the circumstances, therefore, the claim of the jodidars is disallowed.

Letter No. 10728, dated the 22nd November 1911, from the Officiating Chief Engineer of Mysore *re* repairs to dispensary buildings:—

"I have the honour to state that as per Government Proceedings No. 6470-83—Med. 25-10-9, dated the 1st February 1911 *all petty periodical repairs to dispensary buildings in the Province, including whitewashing*, are to be carried out by the Medical officers in charge of such dispensaries.

2. Accordingly, the Executive Engineer, Hassan Division, requested the Senior Surgeon that the usual leaf screens or monsoon thattis to protect certain dispensaries in the district may be attended to in time.

3. The Senior Surgeon having opined that such works could not be done by the Medical staff, he was requested to specify what items of work would be undertaken by the Hospital staff and what items he would like to be done by the Public Works Department so as to secure timely attention to the buildings.

4. He has, in his letter No. 398, dated the 22nd July 1911, stated that beyond white-washing no other work can be undertaken by his staff and that they may be attended to in the Public Works Department.

5. This dual system is inconvenient. Sometimes when roof repairs, wood oil and painting are done by the Public Works Department, whitewashing also will be necessary and if it is not immediately attended to, it will lead to inconvenience.

6. Under these circumstances, I request you will kindly move Government to sanction the return to the old system under which all repairs were executed by the Public Works Department."

No. 5200-13—MED. 106-11-4, DATED BANGALORE, 31ST JANUARY 1912.

ORDER THEREON.—As the Chief Engineer's proposal is concurred in by the Officiating Senior Surgeon, who was consulted in the matter, Government are pleased to accept the same and direct in supersession of their Order No. 6470-83—Med. 25-10-9, dated the 1st February 1911, that all repairs to dispensary buildings, including whitewashing, be executed by the Public Works Department, as was being done prior to the date of the said Order.

2. The Officiating Senior Surgeon is requested to issue a circular to the District Medical Officers countermanding the instructions conveyed to them in their circular No. 12-20, dated the 1st July 1910, in the matter of whitewashing dispensary buildings.
